Inclusivity Through Meaningful Resources

Get in touch with us to find out more about our Snoezelen® Multi-Sensory rooms for Older Adults
01246 210 416 | olderadults.co.uk | sales@olderadults.co.uk

Older Adults is the new name for 'Meaningful Activities for Older Adults', the only company utilising Snoezelen® Multi-Sensory Environments to enhance the lives of adults of advancing age.

We believe in the power of personalised sensory stimulation through exploration, to ease stress and boredom; fostering a sense of comfort and wellbeing.

At Older Adults, we understand that each individual's needs may vary, which is why the level of stimulation in our Snoezelen® Multi-Sensory Environments can be easily adjusted to cater to different levels of engagement, ensuring a calming and anxiety-free experience.

After spending time in Snoezelen® Multi-Sensory Environments, those with late-stage Dementia have shown positive changes in mood and behaviour, and also an increase in their surroundings.
