## BED BUMPERS

### Mesh 2-Bar Rail Bumpers

Our Mesh 2-Bar Rail Bumpers are designed to fit each rail neatly. The top and bottom pads are **connected by a strong see-through net which 'concertinas'** to save space when the sides are lowered.

Made with PU (Polyurethane Fabric) instead of PVC due to risks of Phthalates with PVC. PU is safer and higher quality, breathable and serves a longer lifetime.

#### Features

- Phthalate free
- Breathable
- Impermeable
- Durable
- Antibacterial
- Length - 200cm (79") x Height - 76cm (30")

Code	Description	Price
BP800	Velcro Fastening	£88.00
BP807	Zip Fastening	£88.00

Price each

### Evacuation Sheet

To be permanently in place under anti pressure mattress. This fixes permanently to the bottom of a flexible foam mattress by means of strong elastics.

- It has safety belts to hold the patient on the mattress and pulling straps at each end.
- The combination of slippery sheet and mattress which will flex, will pass through narrow doorways and down stairs.
- The holding strap at the head is to hold back on stairways. Two people required. No transferring of patient. There are pockets for the straps.

Code	Description	Price
EV110	Evacuation Sheet	£55.00 Price each

### Air Mattress Evacuation Sheet

The sheet can be left permanently on the mattress by way of the large pockets to accommodate most depths of mattresses due to the discreet elasticated corners.

- The unit has large pulling straps at either end to aid negotiation of stair ways. With securing straps to hold the patient when in transit.
- Elongated foot pocket with securing webbing to steadily hold the users feet in place.

Code	Description	RRP	Offer
AEVS	Evacuation Sheet	£82.00	£70.00 Price each

### Evacuation Sledge

Used for transporting a user to safety during an evacuation.

The user is placed on the sledge, secured with the chest and leg straps and pulled to safety using the straps at each end.

- The flexible sledge and slippery underneath will allow controlled and easy access through doorways and down stairs.
- The Alerta Evacuation Sledge is supplied in a wall mountable zip bag for easy storage and immediate accessibility in emergency.

Code	Description	RRP	Offer	2+
EV120	Evacuation Sledge	£100.00	£95.00	£85.50 Price each

# CASAELITE PROFILING BED RANGE

Designed and developed for the nursing and residential care environment, providing safety features for both residents and carers.

FROM  
**£499.00**

**4 section  
electrical  
profiling bed**

The Casa Elite is available as a standard or a low model; both bed variants allow the bed to be raised/lowered to a height such that a carer's posture is closer to neutral for the moving and handling of users.

The Casa Elite offers multiple profiling and positioning benefits which can reduce other potential complications of immobility.

## Features

- Standard sized electric profiling bed
- Perfect for nursing and care home environments
- Adjustable head, foot and knee sections
- Bed can be raised or lowered to a comfortable height for the carer to perform any moving or handling of the patient
- Designed for single person installation
- Auto contour function available
- 9 button handset included
- Complaint to EN 60601-1-11\*, EN 60601-1 and EN60601-2-52

We offer full service and maintenance contracts on our range of Profiling Beds. Call our office to discuss your requirements on 020 8236 0060.

*Please note: all prices of our beds include delivery but not installation.*

## \*Our Price Promise

At Healthcare Direct we offer the best customer service, high quality products and the best price possible. To benefit from our promise please provide the details of the product, where you have seen it advertised and the lower price being offered on an official quote. We will verify the details and contact you to give you the best price possible.

### Terms & Conditions

The product in question must be new, identical in specification, and offered on the same terms. Our Price Promise can be claimed against any competitor in the mainland UK, including UK websites. The competitor store or website must have the product in stock and available for immediate purchase or delivery.

We must also have the relevant product in stock. We must be able to verify the lower price being offered by the competitor to our satisfaction. The price being matched must include all taxes (including VAT), postage and packing charges as applicable. All Price Promise transactions are at the discretion of Healthcare Direct Ltd

We reserve the right to withdraw this Price Promise at any time. Typographical errors shall not apply.

## How to Pay

**Credit Card:** Most major credit and debit cards accepted

**BACS Payment:** Call our office for Bank Details

The cost of returning goods must be paid by the customer and all goods must be received in original packaging and suitable for resale. We are unable to accept returns on certain pieces of medical equipment, please contact our office for full details. All orders placed are subject to our terms of business. Please call our office if you require a copy prior to ordering. All prices exclude VAT. Free delivery on all orders over £100.00 in mainland UK - except courier surcharge areas. Delivery charge is £8.95 for orders below £100.00 ex VAT. Offers are subject to availability. Not valid with any other offers, price match or special pricing arrangements. Prices and specifications are correct at date of publication and may change without notice. All trademarks are the property of their respective trademark owners. All offers expire 30th April 2024 NC145. E & OE. Ref: NC145
